June 11, 2004

TO THE COMMISSIONER FOR PATENTS,

SIR:

Further to our response of June 3, 2004 in answer to the Office action dated March 3, 2004, we found a typographical error and request that a correction be made of record on our Amendment B as detailed below.

On Page 45, line 3 the following sentence should read: By any reading therefore, Hasabe does not suggest the claimed surfactant to enhancer ratio range for enhancing glyphosate efficacy.

Respectfully submitted,
